PTO Updates:

We are so fortunate to have such a supportive PTO. The PTO supports our entire school and plans events to support the learning of each child at Campbell. Parents are welcome to participate and support each event PTO sponsors. Some ways to get involved include the following:
- attend the Family event at Carolos O’Kelly’s on Jan. 23rd
- help with the School Dance, Feb. 15th 6-8
- provide snacks and food for the upcoming parent teacher conferences
- help out with the School carnival on April 6th

Bottomline, we invite parents to be part of this important school group. If you’d like to learn more about ways you can get involved, please feel free to notify Julie Lawler at 402-436-1129 or email at jlawler@lps.org.

Thank you PTO!
CLC Update:

CLC After School Programming:
Quarter 3 clubs will run from January 7-March 8

CLC Summer Programming Information:
Hand out with specific information will be attached to the school messenger.

We will be having a summer program this year! We were awarded a large grant to supplement our programming and all of the current CLC staff have indicated that they are wanting to stay on for full-time hours this summer!! Attached is a document that describes the information we have settled on and below is a summer program interest form for parents to fill out!

https://docs.google.com/forms/d/e/1FAIpQLSc15MYuXVZ0V8ezWGS5DCbi6Ris9AZY_udsWHEXe1xSX27Kaw/viewform?vc=0&c=0&w=1

CLC School Neighborhood Advisory Committee (SNAC):
Our January meeting was Wednesday, Jan. 10th. Our next meeting will be the first Tuesday in February 6th at 6:00-7:00. Daycare and dinner will be provided.

Campbell Focus Areas

Increase Engagement- OTR (Opportunities to Respond)

Solid Tier 1 Instruction (Reading Fluency Focus/ Math Numeration)

Building Relationships

A few things...

- If your child is ill or if they will not be in school, please call the school office at 402-436-1129

- Drive safe, be aware of students, be patient in traffic.

- Parents, please drop off students at 8:35 or after each morning. The front door and supervision begins at 8:35 am. Breakfast begins at 8:35 am each morning.

- Challenge for this month: Read with your child each day for 10-15 minutes. Research shows reading to or with your child for a few minutes each day increases comprehension, develops vocabulary and fosters reading skills.

Look for those Library books!

We have quite a list of missing Library books. Please take time to look for Campbell Library books!

Thanks!

Lincoln Public Schools announces new online kindergarten registration

Starting on Jan. 1, 2019, parents of future Lincoln Public Schools kindergarten students can register their child online. Filling out the required paperwork online will be an alternative to registering in person at neighborhood schools on specific designated days.

“This will allow parents to register their child when it is convenient for them, and give them an early start prior to the set March registration dates,” said Russ Uhing, director of student services. “In addition, it also will help our schools with efficiency and provide cost savings to the district.”

After Jan. 1, parents of children who will turn five years of age before July 31, 2019 will be able to go to the school district’s website (lps.org) and click on the red “Enroll Your Student” button. From there, they will find all the information necessary for registering, the required documents needed and answers to frequently asked questions.

For children who turn five between Aug. 1 through Oct. 15, parents may request an assessment for their child to receive a waiver to attend school early. That information is also located on the kindergarten registration page.

The school district will still hold in-person registration days for those who wish to register at the school. Parents can stop by their attendance school on March 6 from 8 a.m. to 6 p.m. or March 7 from 8 a.m. to 4:30 p.m. to fill out the enrollment information.

Questions about kindergarten registration should be directed to the child's attendance area school. For more information about kindergarten registration and assessment testing for incoming students, please go to lps.org and type in the keyword “Kindergarten Registration”.

PBIS Blurb:

We understand that a new year can be a busy and exciting time for many of our staff, students and families. It is often seen as an opportunity to “reset” and return to a more normal schedule and pace. At Campbell Elementary we always take time in January to focus on our school wide expectations so we can be sure we are maintaining a safe and effective learning environment for all students. Research shows that re-teaching and reviewing school-wide/classroom expectations creates predictable adult behavior across all settings, providing students with a sense of security. Providing this structure reduces stress and reminds students that it is “business as usual.” This decreases the likelihood of problem behavior. Additionally, increasing our specific positive feedback will not only support students to demonstrate positive behavior, but cultivate a safe, successful and positive learning environment for all.

Thank your continued support-
Julie Lawler

ParentVUE
Synergy ParentVUE is a component of the Lincoln Public Schools Student Information portal that allows parents/guardians secure access to student grades (secondary), assignments, attendance information, and much more. ParentVUE will soon become the avenue for parents/guardians to verify student enrollment in LPS, replacing the paper Census Form returned to the school at the beginning of each year.

The District has a goal of ensuring at least one parent/guardian per household has activated their ParentVUE account. If you haven’t yet activated yours, please contact the school office for an activation key. Contact the Campbell school office and ask for Cathy at 402-436-1129.
We Are Campbell!
We Can Be Everything at Campbell!
Thank you to all parent volunteers!

If you’d like to volunteer, please feel free to call the Campbell office at 402-436-1129 or contact your child’s teacher.

Be sure to register to be a volunteer online on the LPS website:
https://wapp.lps.org/gold/volunteer/volunteer.cfm

Holiday programs for families can be found in the school messenger email. This is a great list of community resources that may be helpful during this holiday season.
