Thank you Campbell Parents!
Our students and staff are really enjoying reading the “heart” messages posted on the front hallway. It’s so much fun to watch as students read other hearts and learn about how much our students are loved! If you haven’t had a chance to send your heart back, let either your child’s teacher or the office know. We will have extra “heart” forms available, and we plan to keep the hearts up for a while. My hope is to fill the entire front hallway with warm, special words from our Campbell parents and guardians. Check out The Facebook page, and see the video with showcasing our hearts…beautiful words for our students.
CampbellElementarySchool@campbellcoyotes

Thank you all for your continued support!
Julie Lawler

Upcoming Events

Feb. 18: Elementary Plan Day-No School
Feb. 19: Students return
Feb. 21: Food Market 2:45-3:45
Feb. 26: Parent Teacher Conferences 4-7pm
Feb. 28: Parent Teacher Conferences 4-7pm
March 1: Coyote Pride assembly @ 9:15
March 7: Wellness Fair 6:00-7:30 pm
March 8: Last Day of 3rd quarter
March 11-15: Spring Break

CLC Update:

CLC After School Programming:

Quarter 3 clubs will run from January 7-March 8

CLC Summer Programming Information:
Hand out with specific information will be attached to the school messenger.

We will be having a summer program this year! We were awarded a large grant to supplement our programming and all of the current CLC staff have indicated that they are wanting to stay on for full-time hours this summer!! Attached is a document that describes the information we have settled on and below is a summer program interest form for parents to fill out!

https://docs.google.com/forms/d/e/1FAIpQLSc15MYuXVZ0V8ezWGS5DCbi6Ris9AZY_udsWHEXe1xSX27Kaw/viewform?vc=0&c=0&w=1

CLC School Neighborhood Advisory Committee (SNAC): We meet the first Wednesday of each month. Our next meeting will be March 6th from 6:00-7:00. Daycare and dinner will be provided.

Campbell Focus Areas

Increase Engagement - OTR (Opportunities to Respond)

**Solid Tier 1 Instruction** *(Reading Fluency Focus/ Math Numeration)*

Building Relationships

As part of our School Improvement Plan, we collect data on both Reading Fluency and Math Numeration. Our teachers take time to review data on a regular basis and plan for both reteaching as well as ways to stretch our students if they have mastered the standards.

Each grade level has specific plans for both Reading Fluency and Math Numeration. Students are setting goals for their words per minute, as well as practicing prosody, which is reading with expression.

In order to continue our focus on reading and reading fluency, we have a school wide reading incentive. Each grade level has created a specific criteria for reading “brag tags.” Each student received a chain necklace and as they reach specific reading goals, they will be rewarded with a “brag tag.” I’ve asked students how did they earn their tags, and it’s exciting to hear their responses.

Our goal is for each student to fill up their necklace with “brag tags”, continue to set goals and work hard to reach those goals. Take a few minutes to ask your child about their “brag tags!”

A few things…

- If your child is ill or if they will not be in school, please call the school office at 402-436-1129

- Drive safe, be aware of students, be patient in traffic.

- Parents, please drop off students at 8:35 or after each morning. The front door and supervision begins at 8:35 am. Breakfast begins at 8:35 am each morning.

- Challenge for this month: Read with your child each day for 10-15 minutes. Research shows reading to or with your child for a few minutes each day increases comprehension, develops vocabulary and fosters reading skills.
Be sure to check out the grade level monthly newsletters
You can find them on the school website in the right bottom corner. Specific grade level information and academic objectives will be listed on the newsletter.

**Grade Level Information**

- Kindergarten
- First Grade
- Second Grade
- Third Grade
- Fourth Grade
- Fifth Grade
- Specialists

**Register Online**

Starting January 1, 2019

For children who are five years old by July 31, 2019

Go to lps.org and find the red button

If you can’t register online, register in person at your child’s elementary school on:

- **Wednesday, March 6, 2019, 10 a.m. to 6 p.m.**
- **Thursday, March 7, 2019, 10 a.m. to 4:30 p.m.**

Documents needed for registration:

- Certified Birth Certificate
- Current Immunization Record
Lincoln Public Schools announces new online kindergarten registration

Starting on Jan. 1, 2019, parents of future Lincoln Public Schools kindergarten students can register their child online. Filling out the required paperwork online will be an alternative to registering in person at neighborhood schools on specific designated days.

“This will allow parents to register their child when it is convenient for them, and give them an early start prior to the set March registration dates,” said Russ Uhing, director of student services. “In addition, it also will help our schools with efficiency and provide cost savings to the district.”

After Jan. 1, parents of children who will turn five years of age before July 31, 2019 will be able to go to the school district’s website (lps.org) and click on the red “Enroll Your Student” button. From there, they will find all the information necessary for registering, the required documents needed and answers to frequently asked questions.

For children who turn five between Aug. 1 through Oct. 15, parents may request an assessment for their child to receive a waiver to attend school early. That information is also located on the kindergarten registration page.

The school district will still hold in-person registration days for those who wish to register at the school. Parents can stop by their attendance school on March 6 from 8 a.m. to 6 p.m. or March 7 from 8 a.m. to 4:30 p.m. to fill out the enrollment information.

Questions about kindergarten registration should be directed to the child's attendance area school. For more information about kindergarten registration and assessment testing for incoming students, please go to lps.org and type in the keyword “Kindergarten Registration”.

PBIS Blurb: Campbell Behavior Support System

Research indicates that you can improve behavior by 80% just by pointing out what someone is doing correctly. Acknowledgement is paying attention to and recognizing appropriate behaviors. There are many ways that you can acknowledge appropriate behaviors that you see. At Campbell school we provide specific positive feedback to let the child know exactly what they have done correctly. Giving specific positive feedback increases the likelihood of appropriate behavior happening again. We try to acknowledge positive behaviors four times more often than correcting inappropriate behavior. Outside of school consider using specific positive feedback to shape the behavior you would like to see repeated.

Thanks for all your support-
Julie Lawler

Check out Campbell made the PBIS Twitter for LPS!

ParentVUE
Synergy ParentVUE is a component of the Lincoln Public Schools Student Information portal that allows parents/guardians secure access to student grades (secondary), assignments, attendance information, and much more. ParentVUE will soon become the avenue for parents/guardians to verify student enrollment in LPS, replacing the paper Census Form returned to the school at the beginning of each year.
The District has a goal of ensuring at least one parent/guardian per household has activated their ParentVUE account. If you haven’t yet activated yours, please contact the school office for an activation key. **Contact the Campbell school office and ask for Cathy at 402-436-1129.**

We Are Campbell!
We Can Be Everything at Campbell!
Thank you to all parent volunteers!

If you’d like to volunteer, please feel free to call the Campbell office at 402-436-1129 or contact your child’s teacher.

Be sure to register to be a volunteer online on the LPS website: [https://wapp.lps.org/gold/volunteer/volunteer.cfm](https://wapp.lps.org/gold/volunteer/volunteer.cfm)

*Holiday programs for families can be found in the school messenger email. This is a great list of community resources that may be helpful during this holiday season.*
