Hello Aviators!
Keep working hard on remote learning this week and enjoy the beautiful weather!
Sincerely,
Mrs. Clark

Have you tried Lexia yet?
We are excited to be able to offer some extra reading support through an app called Lexia. We know the remote learning experience is different than when students are at school, so we want to give them every opportunity we can to help them continue to grow as a reader, while learning from home. We would highly encourage students to use this app to support their classroom work. It is individualized and students will be reading and learning at their own level. We’ve heard from several families who have tried Lexia. Students think it is fun and parents are excited that their children can work on it independently. If you have not tried Lexia yet, we’ve included the instructions, in the link below, for easy access.
LEXIA Instructions
We hope you give it a try!

Food distribution

LPS Grab-and-Go meals
Any family can pick up free meals weekly for their children ages 1-18 every Monday from 11 a.m. to 12:30 p.m. For more information about distribution locations, go to our website lps.org and enter keyword “food”.

From the Food Bank of Lincoln
Any family is welcome to pick up pre-packaged bags of food from the Lincoln Food Bank during their food distribution. More information about their schedule can be found here.

Chromebook Tech Support
If you are experiencing problems with your student Chromebook or using Zoom, please contact our Help Desk Monday through Friday between the hours of 7 a.m. and 4 p.m. Call 402-436-1735 or go to help.lps.org and be ready with your student identification number.
C.A.M.P. Activities--Week of April 27th

K-5 COMPUTER SCIENCE students and parents will go to this website:
https://sites.google.com/class.lps.org/lpscompsci/home
This week’s theme is Conditionals. IF you do your CS remote learning, THEN you will become a better coder! Check out this week’s unplugged and online activities. Be sure to watch episode four of “Coding with Carl”. Students in grades 2-5 have access to Typing Club via the Portal on their Chromebook. Have a great week of coding! #LPScompsci

K-5 ART students and parents will go to this website:
https://sites.google.com/class.lps.org/art-remote-learning/visual-art
Our theme this week is Nature. Last week the world celebrated Earth Day. A time to notice what the earth and nature provides us. Nature has been the inspiration for many artists, designers, scientists and mathematicians. This week we explore the many possibilities that nature has to offer and how we might offer something back. We will explore the essential question: How can nature inspire us to look at the world and possibilities in new ways?

K-5 MUSIC students and parents will go to this website:
https://sites.google.com/class.lps.org/music-remote-learning/home
Country and Blues! This week we explore different types of tempos and music genres like the BLUES and COUNTRY rhyme songs. Don't forget to check out Mrs. Keller and Mrs. Wilson's C.A.M.P. Friday videos. Have a great week with music.

K-5 PE students and parents will go to this website:
https://sites.google.com/class.lps.org/pe-remote-learning/home
Our lesson theme for the week is focused on the skill of Catching and Throwing. We have a feature lesson on Catching and Throwing from Ms. Sylvester at Kooser Elementary School and there are a number of different bonus activities focused on skills and fitness on the Google Site for Remote Learning PE!
Adams Specialist Weekly Guide
Week of April 27 - May 1

CAMP Activities
(Computer, Art, Music, PE/Health)
Click on each icon for a different activity. If you have pictures showing you completed these activities, have your parents share them with your specialist teachers!

Remember to login to the Portal first.

LPS Daily Learning Challenges
Click on the icon for learning activities. If you have pictures showing you completed these activities have your parents share them with Mrs. Grabensteing.
