Parents/Guardians are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook. Although the information found in this handbook is detailed and specific on many topics, the handbook is not intended to be all encompassing so it does not cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a “contract.” The administration reserves the right to make decisions and make rule revisions at any time to implement the educational program and to ensure the well-being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should a situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable school district policies, and state and federal statutes and regulations..
Throughout this Student Handbook we will be referring to the 2018-19 LPS Important Information Booklet. To the right is a copy of the LPS Important Information Booklet’s table of contents page.

POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS (PBIS)

POSITIVE BEHAVIOR INTERVENTION AND SUPPORTS IN THE LINCOLN PUBLIC SCHOOLS
Positive Behavior Interventions and Supports (PBIS) is a framework for teaching procedures and techniques designed to help improve behavior. It involves procedures at the school-wide, classroom, and individual student levels.

The purpose of district-wide PBIS is to establish a climate in which appropriate behavior is the norm. Introducing, modeling, and reinforcing positive social behavior is an important step of a student’s educational experience. Teaching behavioral expectations and then recognizing students for following our expectations is a more positive approach than only responding to misbehavior.

NORTHEAST HIGH SCHOOL POLICIES

COURSEWORK POLICIES AND PRACTICES
The following are the practices and policies that are utilized across all classes at Lincoln Northeast High School.

GRADING PHILOSOPHY
At Lincoln Northeast, the purpose of grades and grading is:
To assess achievement and communicate the level at which students are meeting learning objectives.

DEFINITION AND PURPOSE OF FORMATIVE WORK
Definition: purposeful activity or practice to enhance, facilitate, and/or reinforce learning.

Purposes of Formative work:
- check for understanding
- complete unfinished work
- enrich the curriculum
- facilitate successful course completion
- prepare for next lesson and/or assessment
- reinforce classroom instruction

FORMATIVE COURSEWORK POLICIES

REDOING/REVISING FORMATIVE COURSEWORK
Students will be allowed redo and revisions of formative coursework for full credit during that unit of study. Scores for redos and revisions will be worth full credit. Redos and revisions are possible as long as assignments are turned in during the unit of study while a student still has an opportunity to benefit from learning the content.

LATE FORMATIVE COURSEWORK
It is important for students to demonstrate responsible learning by completing missing coursework. Late coursework will be accepted without penalty until the end of the unit (or later at teacher’s discretion based on circumstances). Once coursework is turned in, earned credit will be recorded. Work that is not turned in during the unit of study will be considered missing. The teacher or school may make exceptions depending upon student circumstances.

MISSING FORMATIVE COURSEWORK
If formative work is missing, there is little evidence of student learning. Therefore, missing formative work will be assigned an “M” in the Synergy grade book indicating no credit has been earned. Teachers will make missing formative work available. Students are responsible for completing missing formative work. Once coursework is turned in (before the end of the unit), earned credit will be recorded. The teacher or school may make exceptions depending upon student circumstances.

SUMMATIVE COURSEWORK POLICIES

Definition and Purpose of Summative Assessments
Definition: Purposeful activity used to evaluate student learning at the end of a unit of study or end of a grading period.
Purpose: To determine the extent of student learning, skill acquisition, or academic achievement for a defined instructional period.

MISSING SUMMATIVE ASSESSMENTS/PROJECTS
If a student is missing a summative assessment, they have 10 school days from the due date to complete it. Assessments not completed within the 10 school day period may/will receive no credit for that specified summative assessment.

*IEP accommodations/modifications, extenuating circumstances are taken into consideration by the individual teacher of record (i.e. incompletes).
SUMMATIVE REASSESSMENTS

Learning is a process and not all students will reach mastery at the same time, so additional assessment may be appropriate based on what is in the best interest of the student. Reassessment opportunities keep the focus on learning and achieving.

- In order to retake an assessment, additional effort by the student to demonstrate learning must be shown. Formative work may be required to earn a retake. A study session with the teacher may also be required. Teachers will determine when a student has shown that he/she is sufficiently prepared for reassessment.
- Summative reassessments may take alternative forms and should be completed by the end of the next grading period. The end of the semester is the final grading period or end of the quarter for quarter classes. Due to lack of time, the last unit of the semester/quarter will not be reassessed.
- IEP accommodations/modifications are taken into consideration by the individual teacher of record.
- Extenuating circumstances are taken into consideration by the individual teacher of record.

*Some classes may be subject to district policy on reassessment.

EXTRA CREDIT POLICY

Extra Credit is not an option.

*Alternative academic opportunities will be provided for students to demonstrate essential learning proficiencies.

CHEATING/PLAGIARISM POLICY

LPS Responsibilities of Student -P.

Cheating or plagiarism is not tolerated at Northeast High School. When a student is suspected of cheating or plagiarism, due process will be followed. The teacher of record will confer with the student and listen to her/his explanation of the incident. If cheating or plagiarism is still alleged after this conversation, the parent/guardian will be notified and referral written to the alpha-administrator. Consequences begin with an assignment to In-School-Suspension (ISS, where the student will write a paragraph tied to the 3Be’s (Be Respectful, Be Responsible, Be Safe). The student will again meet with the alpha-administrator, utilizing the Capstone Experience Procedure, and then will be expected to complete the assignment, according to teacher directions. In the case of repeated behavior, additional disciplinary consequences may be used.

STUDENT TRANSCRIPT

Official transcripts are obtained from the registrar, in the Counseling Center. Please allow 24 hour notice when requesting a transcript.

- UNL, UNO, UNK, SCC-Lincoln, NE Wesleyan, Chadron, Peru and Wayne State College transcripts will be sent electronically, directly to the Office of Admissions. No hard copy will be printed.
- Student (or parent/guardian) is expected to pick up those transcripts not sent electronically, and mail to the appropriate institution. The envelope is addressed to the college/university, or placed in an official transcript envelope for scholarships.

GRADUATION AND COMMENCEMENT

Also referred to as “graduation”, commencement is the formal ceremony of recognition for graduating seniors. Participation in graduation and commencement is voluntary and may be denied. The three main reasons for denial of participation in commencement activities are:

1. Insufficient credits for graduation
2. Unpaid or unresolved fines
3. Prohibited behavior as outlined in the Student Handbook.

Seniors are required to attend a graduation meeting held during the week of final exams.

A senior who does not attend a graduation meeting may have his/her cap and gown held and the rental fees returned. The attendance requirement for this meeting may only be waived by the Principal under extraordinary circumstances.

Commencement is a formal ceremony, and a certain level of decorum is expected on the part of students, their families and friends. Seniors are, in part, responsible for the actions of those attending the ceremony in their honor. Inappropriate displays of celebration on the part of students, or by others on their behalf may result in diplomas being held until the situation and issues surrounding the disturbance can be evaluated and understood.
AWARDS AND HONORS

Honor Roll: To be on Honor Roll a student must carry a minimum of 25 credits of approved classes with a semester grade point average of 3.5 or better.

Scholastic Letters: Scholastic Letters are awarded to those students who achieve a weighted semester GPA of 4.0 or better for at least 25 credits of approved classes for any two consecutive semesters while at Lincoln Northeast.

Top 3%: These students are honored for having the highest-class rank in their grade.

Seven Semester Honor Roll: Graduating seniors are honored at commencement for having achieved Honor Roll status for each of the previous seven semesters.

National Honor Society: Membership in National Honor Society is a mark of student achievement. It signifies high standards of scholarship, service, leadership, and character. Students are eligible for membership in the National Honor Society if they have achieved at least a 3.5 GPA for at least four semesters of high school work and completed an information form showing evidence of service, leadership and character. A committee of five teachers approved by the principal (or a designee) selects members for induction as first semester juniors or seniors.

ATTENDANCE POLICY FOR NORTHEAST HIGH SCHOOL

See the LPS Important Information Booklet regarding district Student Attendance policies.

LPS Responsibilities of Students - S., T.

Your student is expected to be in class, on time, every day and every class period. Unless the attendance office is notified by a parent/guardian that the student will be absent from school. Tardiness and excessive absences affect student achievement. Attendance is vital to student success. Little can be accomplished when the student is not in school. The learning, which comes from the daily interaction between teachers and students, is irreplaceable. On the day of the absence, the parent/guardian is to call the Attendance Office (402-436-1303, option #1.)

NOTE: Athletics and Activities have additional attendance guidelines.

LEAVING SCHOOL and RETURNING DURING THE SCHOOL DAY

Any student needing to check out of school (doctor, dental etc.) during the day is expected to:

• always have a pass or permission from the Attendance secretary to leave school for any reason
• have a parent/guardian call the Attendance Office or provide a written note to the Attendance Secretary before going to the first class
• in emergencies, come to the office to make arrangements
• the student should check in and return any signed appointment slip to the Attendance Office when returning to school and before going to class.

CLOSED CAMPUS POLICY

See the LPS Important Information Booklet regarding High School Open/Closed Campus.

Exception to the Closed Campus is Off Campus Lunch available to junior and senior students only.

• The student must enter and exit for lunch using Door #35 at the Cafeteria /Commons/ Concourse, Door #27 at the west end of the Concourse or the Main Entrance, Door #1.
• When a student decides to leave the building for lunch, the expectation is that the student does not return to the building until the end of the lunch period (no earlier than 5 minutes before the next passing bell.)
• When returning early from lunch the student must wait in those areas until released for class by the bell/tone.
• The student must show the student photo ID when leaving and entering the building.

Parent/guardians or administrators have the right to rescind permission to leave campus for lunch at any time.

WEATHER DISMISSAL

See the LPS Important Information Booklet regarding Severe Weather Policy.

COMPUTER USE GUIDELINES

See the LPS Important Information Booklet regarding Technology Resource Use.

Use of personal headphones or earbuds in the Media Center is allowed and encouraged.

Using a proxy to access these activities is in violation of the Child Internet Protection Act and LPS district policy.
STUDENT PHOTO IDENTIFICATION CARDS (IDS)

See the LPS Important Information Booklet regarding Student Photo ID Cards.

If the student forgets to bring the ID card to school, he or she will be given an opportunity to be issued a maximum of three temporary ID cards per semester. If the student does not return the temporary ID card at the end of the school day there may be consequences if the student attempts to re-use the temporary ID from a prior date.

HALL PASSES

The student must have an approved pass from a staff member to be in the halls during class time.

NUISANCE ITEMS – LPS BOARD REGULATION 5420.4

See the LPS Important Information Booklet regarding Nuisance Items.

Cell phones and other electronic devices (iPods, i Touches, and other non-LPS electronic devices) are valuable and important communicative devices in today’s world. However, the use of cell phones during the class period can distract from the learning process. Cell phones are to be off (not on vibrate) and out of sight during class periods (bell to bell) unless the use is related to instruction as directed by the classroom teacher. Students may use cell phones before school, at lunch, during passing periods, and after school. Failure to comply may result in disciplinary action including confiscation of the phone. Students violating the policy may have their cellular phones, electronics, and/or accessories confiscated. Student failure to comply with staff request is insubordination and will result in disciplinary consequences. Updated May, 2016

EMERGENCY EVACUATIONS
When the fire alarm sounds all students and staff will leave the building immediately by the most direct route, following the organized plan of the school. The penalty for setting off a false alarm is suspension and appropriate legal action.

GRIEVANCE PROCEDURE
Grievances or complaints from a student or parent shall be initiated in the following manner:

1) Meeting with teacher or administrator to resolve conflict.
2) All grievances shall be submitted in writing to the principal. They should be as detailed as possible.
3) The principal, after receiving the grievance in writing, shall arrange a meeting date, which is mutually convenient to all parties involved.
   At this time, concerns and suggestions for improvements will be discussed.
4) Student or parent/guardian may appeal the principal’s decision to the LPS Department of Student Services - 436-1650.
See the LPS Important Information Booklet regarding Communicating Concerns.

LOCKERS
For building security and student safety, the expectations for student use of lockers are:

- The student is responsible for the content and condition of the lockers
- The school assumes no liability for damage or theft of property
- The student is required to use only the locker furnished by the school
- Locker problems should be reported to the Main Office
- No more than two students will be allowed per locker
- The student is not to give the lock combination to another student(s)
- Ninth and tenth grade students are encouraged to have a locker
- The student may choose his/her locker partner, provided both students are together at the time the locker is assigned

There is a $5.00 non-refundable locker rental fee for the purpose of repair and replacement. This fee is for the year and is required of all students using lockers. An additional $5.00 will be charged to a student who has lost his/her lock.

Note: In maintaining discipline and providing a safe environment for students and staff, district employees are responsible for obeying and enforcing compliance with state statutes, policies and administrative rules. School administrators are authorized to conduct searches of students and their property as well as property of the district in order to enforce compliance with statutes, policies, and rules. A search may be conducted when an administrator determines there is reason to believe it could disclose evidence of the violation of a statute, policy, or rule. Administrators are also authorized to conduct area-wide searches (e.g., searches of all student lockers) on the same basis and for reasons that include, but are not limited to, safety, health, and discovery of the violation of a statute, policy, or rule.

See the LPS Important Information Booklet regarding Searches of Lockers and Other Types of Searches.

STUDENT FINES
LPS Board Policy 6440 notes that teachers and principals have the responsibility to recover losses or damages incurred by students when appropriate. Students need to be cleared in a timely manner and it is the responsibility of the student to resolve outstanding fines for lost or damaged textbooks or school materials.

At Northeast, the following student privileges may be revoked for any student who has not cleared fines in a timely manner:
1) participation in before school year photo days
2) locker check-out
3) student parking privileges (first come- first served)
4) participation in select groups or athletics
5) admission to Prom and Homecoming
6) participation on Northeast athletic teams
7) individual student fines/fees can be accessed through Synergy

IGNORED FINES WILL BE SENT TO A COLLECTION AGENCY.

**Graduating seniors who have fines will not participate in the graduation ceremony.**

Procedure: Media fines should be paid to Room 102. Textbook fines or other contested fines need to be addressed with the individual teacher/coach who placed the fine.
STUDENT PARKING

The following is a list of requirements to be met each semester in order to receive or renew a student-parking permit:

• Senior or Junior standing
• All school fines cleared or paid in full
• Completed parking permit application signed by the student and parent/guardian
• Valid Nebraska driver’s license. • Valid vehicle registration.
• Proof of insurance
• Pay a $10.00 one-time, annual, non-refundable parking decal fee for the school year.

Applications for a permit may be picked up in the Main Office. Completed forms and corresponding documentation should be taken to the office secretary in the Main Office who is in charge of parking permits. She will verify the prerequisites have been met and issue the permit. The permit will be a window sticker that must be properly attached to the inside of the rear window on the lower passenger corner. Designated student parking is on a “first come, first served” basis for students with a Northeast-parking permit. When the student parking areas are full, students will be expected to park off campus.

Any student who violates any of the parking regulations listed on the back of the application will be issued a citation and be subject to being towed at owner’s expense.

A student permit for parking is a privilege and it can be taken away for any violation of school rules.

PROPERTY DESTRUCTION

See the LPS Important Information Booklet regarding Care of Property.

Destruction of school property may lead to disciplinary consequences. The student and/or parent/guardian will be required to make restitution.

PUBLIC RELEASE INFORMATION

The following information may be released to the public in regard to any student of the school district as necessity or desirability arises: Name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of enrollment, degrees and awards received, the most recent previous school or institution attended by the student, and other similar information.

Any student parent or guardian not wanting this information released to the public must make objection in writing to the principal. It is desirable to renew this objection at the beginning of each school year.

SKATEBOARDS

A student whose preferred mode of school transportation is a skateboard or scooter must check the skateboard or scooter into Room 201 upon arrival and collect from there when the school day is over. Skateboards or scooters should never be stored in student lockers and should not be ridden or used on school grounds.

RESOURCES @ LNE

COUNSELING CENTER

(Categories Social Competencies, Positive Identities, Empowerment & Support)

The Northeast Counseling department provides a comprehensive developmental program based on the American School Counseling Association (ASCA) national and state model. We are dedicated to educating all students in their academic achievement, career planning, and social emotional development, while emphasizing positive relations, high academic expectations, and a respect for diversity. Counselors advocate for all students and are in partnership with other educators, parents and community to prepare students to contribute at the highest level as productive members of society. Examples of community partners are: EducationQuest, Southeast Community College, University of Nebraska-Lincoln, Child Guidance Psychological Services, Upward Bound, and Educational Talent Search.

Each student is assigned a Counselor to assist with academics, career planning and social emotional development throughout high school. The student may ask his/her teacher for a pass to see the Counselor or may sign up for an appointment to see the Counselor. Students are encouraged to read the weekly Counseling Center Announcements read during 3rd period and posted on our website. In addition, juniors and seniors are encouraged to sign up to visit college admissions representatives who visit Northeast High School on a regular basis.

Peer Helpers: Peer Helpers are students who have completed a Peer Helping class to learn listening skills about issues teens deal with in society today. These students are nominated by their peers and selected through an interview process. They are available to meet with other students and make appropriate referrals when necessary.
Student Ambassadors and Peer Tutors: Student Ambassadors and Peer Tutors are senior students interested in serving in a leadership role to assist students. They receive training the summer before they become a Student Ambassador or Peer Tutor and receive elective credit. Student Ambassadors are assigned to the Counseling Center to serve as student Mediators, tour guides, provide assistance to visitors and to perform general duties. Peer Tutors are assigned to a classroom to work with students individually as a tutor in an academic area.

HEALTH OFFICE
(5. Caring School Climate)
A full-time nurse is available for students at Northeast. When a student feels ill, he/she must have a planner pass signed from his/her teacher and report to the Health Office (Room 106). The time of arrival and departure will be recorded. Before a student is excused to go home, the nurse or health tech obtains permission from the parent/guardian. The student must then sign out in the Attendance Office.

We discourage taking medication at school. It should be taken at home immediately before or after school. If medications are brought to school, they shall be maintained in the Health Office. No one other than trained personnel shall administer the medication within the school. Contact the school nurse for a detailed explanation of the guidelines. A record of current immunizations needs to be on file in the Health Office.

MEDIA CENTER

Students need to obtain a pass to visit the Media Center during lunch.

Upon entering the Media Center the student is required to scan his/her student ID. During scheduled class time the student does not need to present a pass at the circulation desk to be in the Media Center. Food and drink, except water, are not allowed in this area. Compliance with all school policies is expected.

LINCOLN PUBLIC SCHOOLS DISTRICT-WIDE ATHLETIC/ACTIVITIES CODE OF CONDUCT

(Refer to Policies 6700 and 6740)

PURPOSE OF THE CODE OF CONDUCT

Participation in extracurricular activities is a privilege. The privilege carries with it responsibilities to the school, team, student body and the community. Participants are not only representing themselves, but also their school and community in all of their actions. Others judge our school on the student participants’ conduct and attitudes and how they contribute to our school spirit and community image.

The student participants’ performance and devotion to high ideals and values make their school and community proud. Consequently, participation is dependent upon adherence to this Code of Conduct and the School District’s policies, procedures and rules.

SCOPE OF THE CODE OF CONDUCT

The Code of Conduct applies to all extracurricular activities. Extracurricular activities means student activities or organizations which are supervised or administered by the School District which do not count toward graduation or grade advancement and in which participation is not otherwise required by the school.

Extracurricular activities include, but are not limited to: all activities identified in policy 6700, intramurals and other school-sponsored organizations and activities or those designated as such by the Associate Superintendent for Instruction. The Code of Conduct also applies to participation in school-sponsored activities such as school dances.

A participant means a student who participates in, has participated in or will participate in an extracurricular activity.

When: The Code of Conduct rules apply to conduct which occurs at any time during the school year, and also includes the timeframe which begins with the official starting day of the fall sport season or activity established by the NSAA and extends to the last day of the spring sport or activity season established by the NSAA, if any, whether or not the student is a participant in an activity at the time of such conduct. The rules also apply when a student is participating or scheduled to participate in an extracurricular activity that is held outside the school year or the NSAA season. For example, if a student in a Career and Technical Student Organization plans to participate in a conference in July and commits a Code of Conduct infraction in June, the student may be suspended from participating in the conference. Conduct during the summer months may also affect a student’s participation under the team selection and playing time guidelines.

Where: The Code of Conduct rules apply regardless of whether the conduct occurs on or off school grounds. If the conduct occurs on school grounds, at a school function or event, or in a school vehicle, the student may also be subject to further discipline under the general student code of conduct. A student who is suspended or expelled shall not be permitted to participate in activities during the period of the suspension or expulsion and may also receive an extended activity suspension. Refer to Policy 6740.
CONSEQUENCES

(Refer to Regulation 6740.2)

Students who violate the Code of Conduct or coach or sponsor rules or regulations may be disciplined by suspension for up to one calendar year from the date of the finding or violation.

ALCOHOL, TOBACCO AND DRUG VIOLATION CONSEQUENCES

First Offense

Self-Report: The student will be ineligible for 14 calendar days of interscholastic competition/performances with a minimum of the next two competitions/performances dates. During the suspension, the student must schedule a meeting with the school’s School Community Intervention Program (SCIP) coordinator and complete an assigned drug education course.

Non-Report: The student will be ineligible for 21 calendar days of interscholastic competition/performances with a minimum of the next three competitions/performances dates. During the suspension, the student must schedule a meeting with the school’s SCIP coordinator and complete an assigned drug education course.

Second Offense

Self-Report: The student will be ineligible for 28 calendar days of interscholastic competition/performances with a minimum of the next four competitions/performances dates.

Non-Report: The student will be ineligible for 42 calendar days of interscholastic competition/performances with a minimum of the next six competitions/performances dates.

Next Offense

The student will be ineligible to participate for one calendar year. If an additional violation occurs within that suspension year, suspension dates will be adjusted and based on that subsequent violation showing one calendar year from that last violation.

PROCEDURES FOR SUSPENSION

(Refer to Regulation 6740.1)

Students may be suspended by the principal or his/her designee from practices or participation in interscholastic competition or participation in co-curricular activities for violation of rules and standards of behavior adopted by the Lincoln Board of Education or the administrative staff of the school.
